

## Dick's Rancho Glass Inc.

### Custom Mirrors

Dick's Rancho Glass is home of the "Mirror Man." We have been fabricating and installing custom mirrors throughout the greater Sacramento area since 1956. Every mirror is made to order with either flat polished edges or beveled edges, whichever edgework best complements your style. We can custom cut holes and cutouts for your light fixtures and electrical outlets. Call us today for an estimate on your very own custom mirrors!

2900 Rautier Road

## Custom Frameless Shower Enclosures

At Dick's Rancho Glass, we specialize in installing custom frameless glass shower enclosures. Everything from a single frameless shower door to a multi-panel steam shower with operable transom, we can fabricate and install custom glass and hardware to complement your bathroom design.

### Glass Options

Whether you are looking to showcase your fantastic tile work or maximum privacy is your desire, we have multiple glass options for you to choose from. Glass options include: 3/8" thick Clear glass, Starphire (ultra clear), Rain, Barok, Glue Chip, Satin Etch, custom sandblasting, and ultra premium cast glass.

3/8" Rolled Glue Chip

3/8" Rain Glass

3/8" Clear Glass with Custom Sandblasting

3/8" Custom Cast Glass with Mermaid Scene

### Hardware Options

We use premium heavy duty forged brass hardware for our frameless shower installations. With 22 hardware finishes, 10 different handle options, optional towel bars, knobs, robe hooks, and your choice between square or beveled hardware, your frameless shower door will truly be custom built to your specifications. Visit our showroom today to see your hardware options or visit our website for more information:

### Water Spot Protective Coating

Protect your investment and make cleaning and maintenance a breeze by adding a water spot protective coating to your shower glass. This coating even comes with a manufacturer's warranty! Ask us how it works!!

### Broken Edge Top

Are you looking to add a real WOW factor to your bathroom? We offer a custom broken edge top for your frameless shower glass. You can design the shape of the top of the glass, dictating where the highs and lows will be and the slope of the top. Come to our showroom to see a sample.

### Why Choose Dick's Rancho Glass?

Not all glass shops and installers are created equal. Dick's Rancho Glass has been installing showers in Sacramento since 1956. We use only the best quality glass and hardware suppliers available to us and our master shower installers have a combined 85 years of experience. If you want precise measurements, attention to detail, and premium customer service at a fair price, call Dick's Rancho Glass!
